Web Developer

My name is Mohtashim, and I'm a 17-year-old student currently enrolled at Aptech Pakistan. I have a keen interest in web development and have honed my skills in a variety of technologies, including HTML, CSS, JavaScript, Bootstrap, jQuery, Git, GitHub, XML, JSON, PHP, and Laravel. Additionally, I am proficient in using MS Office. I am enthusiastic about expanding my knowledge and expertise in the field of web development and technology as I continue to pursue my education and career goals. With almost 2 year of experience as a student at Aptech, I have consistently achieved top grades and completed projects within strict deadlines. In just 6 months, I have increased my programming skills and demonstrated proficiency in various coding languages, setting me on a path towards a successful career in the tech industry.
